Alumni and visitors coming to WFU more than once a month need to register their vehicle. For registration purposes, students, faculty, staff and alumni are defined as:
Student – Anyone enrolled in any class or program at Wake Forest University, including study-abroad programs.
Faculty – Assigned teaching responsibilities at Wake Forest University (Does not include students who are teaching assistants).
Staff – Non-faculty Wake Forest employee contracted to work on campus.
Alumni – Graduated from WFU and is not enrolled in a graduate program

Parking permits are not transferable.

1.2 Permit Fees/Locations

- Freshman - $315 (University Corporate Center)
- Sophomore - $315 (Lot Z2 off Polo Rd.)
- Satellite – $75 (University Corporate Center, Real Estate Housing)

1.3 Student Registration
Graduate, undergraduate, and transfer students may request parking permits. Eligibility will be based on student classification and resident or commuter status. The online registration process requires the following information:
- Vehicle license plate number and state, make, model and year of the vehicle.
Log onto https://wfuparking.t2hosted.com. Select “Register Your Vehicle”. You will be prompted to enter your WFU Login ID and password to begin the vehicle registration process. Do not include @wfu.edu in your login text.

1.4 Students employed by the University as graduate teaching assistants or graduate hall directors (GHDs) are required to purchase a student permit and do not qualify for the faculty/staff parking fee structure.
1.5 Commuter student permits for on-campus parking are limited and will be sold on a first-come, first-served basis each year for the upcoming academic year. Exceptions will be allowed for the following reason only:
• Cases of hardship related to a medical or health condition.
• Full-time students returning from fall study-abroad programs.

1.6 A student registering a vehicle owned or operated by another student is an honor code violation. Employees may not register a vehicle that is operated by a student.

1.7 A student registering a second vehicle must provide the registration card for the second vehicle, indicating that the vehicle belongs to them or a family member.

1.8 A student may not drive or park a vehicle on campus that displays an employee parking hangtag.

1.9 Students enrolled at Wake Forest Baptist Hospital or Medical Center that have a vehicle registered with those institutions and take classes at WFU can park in General parking lots only. The permit must be displayed on the vehicle.

1.10 Students residing in real estate housing must register their vehicle in order to receive an additional sticker to park in the satellite house parking lots.

1.11 Freshman and sophomore students cannot change/upgrade their permits mid-year due to earned credits changing their student classification.

1.12 Students residing in theme houses must register their vehicle. Students living in a Theme House have the options to 1) purchase a resident permit to be able to park on campus between 8:00 a.m. – 5:00 p.m. for $525, 2) purchase an off-campus permit for $315, which requires the vehicle be parked at the theme house between 8:00 a.m. – 5:00 p.m., but can park on campus after 5:00 p.m. and weekends. Students living in theme housing must register their vehicle with Parking and Transportation in order to receive an additional sticker to park in the theme house parking lots.

1.13 Student Permit Application
Each package contains two permits, one for the front windshield (Gate Pass) and one for the rear window or bumper (Parking Pass). Apply and place permits in accordance with package instructions to a clean and dry surface.
* Both the gate pass and parking permit must be adhered to the vehicle it was assigned, to be fully registered.
1.14 Registration Refunds
No refunds of vehicle registration fees will be made unless the issued permit is returned to Parking and Transportation before the first day of class. Students graduating or going abroad for spring semester may receive a prorated refund by returning the issued permits and a completed Refund Voucher at the Parking and Transportation office. These items should be returned to the Parking and Transportation office before the last business day in December.

1.15 Class Auditors
Anyone auditing a class at Wake Forest University needs to register their vehicle, no matter what the duration or length of the class may be. Class auditors parking on campus during the hours of 8:00 a.m. to 5:00 p.m. may purchase a semester hang tag for $50.

1.16 Medical Special Permission Permits
Parking and Transportation will issue a "Medical Special Permission" permit to students who are approved for special medical parking privileges. In such cases, the student must go to Student Health Services and be evaluated at no charge. The student is issued a Health Service Medical Parking Request Form, which must be presented to Parking and Transportation. The form will indicate how long the student will need special medical parking privileges. The override permit will allow the student to park in designated areas based on the recommendation of Student Health Services (Reserved spaces are excluded). This override permit is issued in addition to the parking decal you received during registration for the current academic session, if you have a registered vehicle. A Medical Special Permission Permit does not authorize a person to park in a state mandated handicapped parking space. No student will be given permission to park in a handicapped parking space unless the state certifies that they are permanently/temporarily handicapped and they are issued a handicapped placard or their vehicle has the handicap insignia on the license plate. It’s requested that the Parking and Transportation office be provided a copy of the handicap registration card. You cannot use a placard that is in someone else's name. The placard must be hanging to be valid.

Medical Special Permission permits are valid for up to 30-days at no cost to the student. If the need to park on-campus exceeds 30-days, a student may purchase a 14-day Medical Special Permission permit for $20. No student may purchase a temporary permit more than twice during any semester. Otherwise, students with extended medical needs will be required to purchase an on-campus permit at the regular rate.
1.17 Faculty and Staff Registration

- Faculty and staff registration occurs every two years.
- Dependents of faculty and staff, who are either enrolled as a student or working at WFU, are required to register their vehicle if it is operated on campus. The use of a parent’s faculty/staff parking permit by a student is strictly prohibited. Students identified as improperly using a faculty/staff permit will be referred to WFU Judiciary Affairs as a potential honor code violation.

The online registration process requires the following information: Vehicle license plate number and state, vehicle year, make, model and color.

Log onto http://wfuparking.t2hosted.com
Select “Register Your Vehicle”.
You will be prompted to enter your WFU Login ID and password to begin the vehicle registration process. Do not include @wfu.edu in your login text.
- Parking hangtags ordered on-line will be delivered to appropriate departments for distribution to faculty and staff via campus mail

1.18 Faculty and Staff Hangtag
Faculty and staff must register all vehicles that will be driven to campus, but will receive only one parking hangtag that can be interchangeable between vehicles. The parking hangtag must be visible from the rearview mirror at all times while parked. The parking hangtag will serve a dual purpose as a parking hangtag and a gate pass.

1.19 Vendors
All vendors are required to come to the Parking and Transportation office, Monday-Friday, 8:30 am-4:30 pm, to apply for and pick up a parking permit.

1.20 Concessionaires
All concessionaires must go online to http://wfuparking.t2hosted.com to register a vehicle. Once they have accessed the website, click on “Register Your Vehicle.” A guest account must be created in order to register the vehicle. Concessionaire employees that provide an auxiliary service on campus are required to pay a monthly fee of $5.00.

1.21 Alumni, Parents and Student Visitors
Alumni, parents and student visitors must come to the Parking and Transportation office, Monday-Friday, 8:30 a.m.-4:30 p.m., to obtain a visitor parking pass.

1.22 Replacement and Temporary Permits
You can receive a replacement permit/hangtag for a replacement fee of $25, if you have a vehicle currently registered. To obtain a replacement, you must bring in the old permits, if possible, and your vehicle registration.

Students who have not previously registered a vehicle can purchase a temporary permit (valid for two weeks) for $20.
If you have a temporary vehicle, you need a temporary permit. Temporary permits are good for two weeks and are free of charge if you previously purchased a permit for the current school year. You can receive up to two temporary permits per semester. Temporary and replacement permits are issued at the Parking and Transportation office, Monday-Friday, 8:30 a.m.-4:30 p.m.

1.23 Handicapped
The Handicapped Parking Policy, in compliance with the Americans with Disabilities Act, requires that campus handicapped spaces must be regulated in accordance with guidelines prescribed by the state of North Carolina. The use of a handicapped placard by anyone other than the authorized user is prohibited and can result in further legal or judicial actions. Students eligible under the Handicapped General Statue (http://www.ncleg.net/EnactedLegislation/Statutes/HTML/BySection/Chapter_20/GS_20-37.6.html) must still pay for an on-campus or off-campus permit. The placard does not exempt a student from the permit registration process or permit fee. Application forms for temporary or permanent handicapped parking are available for your convenience at the Parking and Transportation office. You may take this form to your doctor to have it signed, then to the N.C. Division of Motor Vehicles’ License Plate Agency.

1.24 Motorcycles/Two-Wheeled Motor-Driven Vehicles
• Motorcycle/two wheeled motor-driven vehicle permits are issued by the Parking and Transportation office, Monday-Friday, 8:30 a.m.-4:30 p.m. These permits are not available online.

  • $20 per summer session.

Motorcycles can only park in spaces marked for motorcycles.

1.25 Community Residents
Residents of Faculty Drive, Paschal Drive condominiums, Timberlake Drive, Royall Drive, Sledd Court, Bella Vista Ct. and Aaron Lane will be issued a hangtag for each vehicle. Additional hangtags are available upon request. WFU employees, students, vendors or visitors are not authorized to park on Faculty Drive, Royall Drive, Poteat Court, Timberlake Lane, Sledd Court, Aaron Lane, Paschal Drive or Bella Vista Court. Violations may result in citations by the City of Winston Salem.

1.26 Guests
Information on visitor and guest access to campus between 10:00 p.m. - 6:00 a.m. can be found at http://www.wfu.edu/police/gate.php.

However, parking in a time-limited space is allowed between 8:00 a.m. – 5:00 p.m. weekdays for quick errands. Parking for longer than the allotted time for that space can result in being cited for both the timed space violation and being on campus during unauthorized hours.

Students that do not have the need to have a vehicle on-campus between 8:00 a.m. – 5:00 p.m., (i.e live off-campus, ride the shuttle) but wish to park on campus after 5:00 p.m. weekdays, on weekends and holidays may purchase a satellite (SP) permit for $75.

2.10 Off-Campus Student Parking (OC)

WFU students, employees and vendors are prohibited from parking in the following lots from Saturday at 5:00 pm until Sunday at 5 pm. Off-campus parking consists of designated student areas in: Winston Salem First Church lots A, B and Reynolda Village student lot.

2.11 Satellite Parking Lot (SP) University Corporate Center.

There will be announced times throughout the academic year when all vehicles must vacate the Satellite Lot in support of special events (e.g., football games, Dixie Classic Fair).

2.12 Lot N

This lot is reserved for visitors and off-campus employees (UCC, Graylyn, Human Resources, Reynolda House/Gardens, Bridger Field House) visiting the Reynolda campus. Off-campus employees parking in Lot N must have a departmental hangtag and a supplemental “O” adhered to the off-campus hangtag.

2.13 Lot P (24-Hour Reserved Faculty/Staff Lot)

Every Friday at 5 pm, until Sunday at noon, the outer loop of Lot P is reserved for Wake Forest Baptist Church members and their guests. Students are not allowed to park in this area during the restricted times, whether they attend services or not.
2.14 North Campus Apartments (NCA)
Spaces behind the NCA are restricted to service vehicles, handicap placard vehicles and 30-minute spaces for loading/unloading only. Exceeding the time restriction in a timed-parking space will subject you to the $100 fine for parking behind NCA.

2.15 Loading/Unloading
Flasher and headlights must be used when actively loading/unloading a vehicle. Parking is only permitted in general parking lots/spaces and timed spaces. Reserved spaces, fire lanes and or handicap spaces are never to be used for the purpose of convenience.

2.16 Special Parking Arrangements
During certain periods of the year, (e.g., move-out, extended holiday breaks) Parking and Transportation will announce changes to the campus parking. We will make every effort to post the announcements on the Parking and Transportation website, the "Welcome" page of WIN, through RL&H, the Student Government website and WakeStudent. During these periods, vehicles must park in legal parking spaces and never park in a fire lane, handicap space or a reserved space.

2.17 Financial Responsibility
Students, faculty and staff are responsible for their visitors and will be held financially responsible for citations issued to family or friends who use a registered vehicle on campus or who use an unregistered vehicle that is later linked to the student, faculty or staff.

2.18 “Do Not Ticket” Requests
Vehicles that cannot safely be moved because of a mechanical problem, must call Parking and Transportation at 336-PARK or email parking@wfu.edu to request a “do not ticket”. If the call is not answered (non-office hours, busy signal, etc.), leave a message with the following information:
Your name and contact number
The nature of the problem
Location where vehicle is parked
Vehicle information (model, color and license plate information)

The following applies to “do not ticket” requests:
• Requests are valid for 24 hours. Vehicle operators need to make every attempt to move the vehicle as soon as possible.
• Requests will not be granted for fire lanes or handicap spaces or being illegally parked at the time the vehicle became inoperable. (In a reserved space, 24 reserved lot, etc…)
• Leaving a note attached to the vehicle does not suffice for calling/notifying the Parking and Transportation office.
• Requests are not required if operating a clearly marked automotive dealership loaner vehicle for a short duration – normally one to two days.
2.19 Extended Parking
People may not leave their vehicles on campus for extended periods (14 days or more, to include semester and summer breaks) without notifying Parking and Transportation. During extended school breaks, Parking and Transportation will put out an announcement where vehicles can be legally parked. If vehicles need to be relocated for campus maintenance work or for an emergency, WFU will pay for the vehicle’s relocation as long as the vehicle’s registered owner notified Parking and Transportation. Failure to make the notification may subject the vehicle owner to tow fees.

2.20 Speed Limit
The speed limit in parking lots is 10 mph unless otherwise posted.

2.21 Special Events
It is the policy of Wake Forest University to minimize the displacement of faculty, staff and students from parking facilities during special events. 
- All on-campus special event parking needs are to be coordinated with the Director of Parking and Transportation.
- University organizations that want to reserve a parking lot (once approved by Parking and Transportation) for a special event need to fill out a "WFU Police Services Form" request. The form can be found at the following website link: http://www.wfu.edu/police/form-event-app.html
Parking and Transportation Services offers shuttle bus rentals to departments sponsoring a university event. Requests for this service should be made with 48 hours notice.

2.22 Alumni, parent and student visitors are allowed to parking in any general or student lot.

2.23 Davis Field is not to be used for student and employee parking when reserved for special events.

2.24 Car covers are allowed, but the rear parking permit must be visible at all times.

Unauthorized parking can result in the issuance of multiple citations. For example; if a student with an OC decal parks his/her vehicle in a 24-Hour Visitor Lot during normal campus hours (8:00 am to 5:00 pm), two citations could be issued. One for “Parked on Campus during Unauthorized Hours” and a second one for “Parked in an Unauthorized Zone, Area or Lot”.

Article IV Appeals

4.1 All appeals must be filed on-line at http://wfuparking.t2hosted.com or from the Parking and Transportation website. The appeal must be completed 14 days from the date which appears on the citation or the appeal will not be accepted. The citation issuance date is counted as the first day of the 14-calendar day appeal period. A person must have readily available the citation number and vehicle plate number before an on-line appeal can be filed.

Individual appeals must be filed for each citation being appealed. An explanation is required for each citation appealed.

4.2 The appeal’s officer is appointed by the Parking and Transportation Advisory Committee. The appeal’s officer, a nonpartisan University agent with no relation to parking enforcement authorities, will review the written appeal and may grant or deny the appeal. Notification of the appeal decision will be communicated via email. Appellants can also check the status of their appeal on their parking account, online.
Parking and Transportation staff does not take part in the appeal decisions; therefore they cannot explain the appeal officer’s reasoning for approving or denying appeals. If you disagree with the decision, then you must file the second level of appeals.

4.3 It is the duty of the Parking and Transportation Advisory Committee to review 2nd level appeals. The Parking and Transportation Advisory Committee will meet regularly during the academic year for appeal consideration. These meetings are not open for public attendance and the appellant will not appear in front of the Advisory Committee. Second level appeals must be submitted in writing within 7 days of the first level appeal decision. Appeal forms can be obtained and filled out at the Parking and Transportation office.

4.4 Graduating, transferring or terminating students obtaining citations after being cleared by the University, must pay the citation(s) if an appeal is not immediately possible. The student will be allowed to appeal the following semester. If the appeals officer or Parking and Transportation Advisory Committee rules in the appellant’s favor, monies paid will be refunded.

All decisions of the Parking and Transportation Advisory Committee shall be final.

5.3.1 When five (5) or more unpaid citations are accrued.
5.3.2 Accruing three (3) unpaid citations for violations of parking in a handicap space, fire lane or impeding traffic.

**Article VI Shuttle and Transportation Service**

6.1 Shuttle Service
Parking and Transportation provides varied shuttle services to meet the needs of students, faculty and staff. Shuttle stop times and scheduled days of operation for the academic year can be found on-line at http://facilities.wfu.edu/transport/ride-the-wake/. In addition, you can download the iPhone “Ride the Wake” GPS App to track the shuttle's locations.

The Gray Line Day route provides service to the Sophomore Lot (Z2), Winston Salem First Lots, Satellite Lot and University Corporate Center.

Weekday evenings and on weekends, the Gray Line Night route provide services within the Reynolda Campus the sophomore Lot (Z2). Gray Line shuttle service schedules are available online at http://facilities.wfu.edu/transport/ride-the-wake/.

6.1.1 The Gold Line and the Black Line are free weekday shuttles between WFU and local apartment complexes. The schedules for both Gold and Black lines are available online at http://facilities.wfu.edu/transport/ride-the-wake/.

6.1.2 The Deacons Downtown Shuttle provides evening service on Thursday, Friday and Saturday during academic session to downtown establishments. This shuttle runs from 9:30 pm to 2:30 am and the schedule is available online at http://facilities.wfu.edu/transport/ride-the-wake/.

6.1.3 No alcoholic beverages are to be brought onto the shuttle bus at any time.

6.1.4 For the safety of other passengers and the driver, shuttle drivers are permitted to remove passengers because of, but not limited to, excessive intoxication, displaying inappropriate behavior or vulgar language.

6.2 Shuttle Rentals
Parking and Transportation Services offers shuttle bus rentals to departments sponsoring a university event. Requests for this service should be made at least 48 hours in advance. Visit http://facilities.wfu.edu/transport/ride-the-wake/ and select “Shuttle Rental” for more information.
6.3 ZIP Cars
Wake Forest University offers a car-sharing program known as ZIP cars. Any licensed driver can rent these vehicles for a few hours or a whole day. ZIP car brochures are located in the Parking and Transportation office or the Campus Office of Sustainability, or you can go online to http://www.zipcar.com/wfu for more information.

The 2014-2015 Parking Rules and Regulations have several changes. It is necessary that you familiarize yourself with this year’s information. The control of traffic and parking on campus is required to protect the safety of students, faculty, staff and visitors and permit the conduct of University business. Lack of space is not a valid excuse for violating parking regulations. The regulations stipulate where parking is authorized rather than where it is improper to park. The fact that a person parks in violation of any regulation or law and does not receive a citation does not mean that no violation has occurred. Responsibility for finding a legal parking space rests with the motor vehicle operator. A parking space is not guaranteed near where one works, residences or attends class.

These regulations have been established by the Parking and Transportation Advisory Committee and approved by the president of the University. All traffic fines must be paid. Unpaid parking fines may prohibit you from registering, operating or parking any motor vehicle on University property.

Liability Limitations: Wake Forest University assumes no responsibility for damage to vehicles parked on or while being operated on campus property or for the personal contents within the vehicle. Vehicles operators should refrain from leaving valuables in their vehicle, and they should lock all windows and doors.
